## ★ Evander Raymond Wirandy (PG) ★ Parents Testimonial

Perkenalkan saya Nadea, Mom dari Ray. Perkenalkan saya berbagi sedikit cerita tentang pengalaman pembelajaran Ray selama 1 tahun di Playgroup Little Koala Montessori. Awalnya saya sempat ragu ketika menyekolahkan anak saya, Ray, karena bisa dibilang usia yang masih cukup dini untuk belajar.

Namun setelah mempertimbangkan Kembali supaya dia ada kegiatan lain selain bermain di rumah, dan bisa belajar lebih mandiri dan bisa berteman dengan anak - anak seusianya, maka saya dan suami pun memutuskan memasukkan Ray ke Playgroup Little Koala Montessori merupakan pilihan pertama saya, karena jaraknya dekat dari rumah dan juga fasilitasnya yang lumayan lengkap, terlebih lagi karena saya

memang mencari kurikulum Montessori yang lebih mengutamakan pendidikan karakter serta kemandirian di usia dini. Ditambah lagi ketika saya mendengar juga ada kelas religion dari Playgroupnya, saya semakin mantap memilih Little Koala Montessori sebagai sekolah untuk anak saya.

Awal pertama Ray masuk ke kelas, saya cukup kaget karena Ray bisa langsung menyesuaikan diri dengan lingkungan baru dan guru kelas nya, karena miss sangat friendly dan bisa menjadi teman serta guru untuk Ray sampai Ray selalu semangat jika datang ke sekolah. Apalagi di masa pandemic seperti ini, yang butuh "extra" kesabaran untuk pembelajaran anak saya karena kebanyakan dilakukan melalui online, tapi segenap miss mampu mendorong anak saya untuk mempelajari sesuai yang baru, berhitung, meningkatkan kreatifitasnya, dan menulis. Miss pun selalu membantu Ray setiap saya sharing kesulitan apa saya hadapi ketika belajar bersama Ray.

Selama 1 tahun ini saya melihat banyak perkembangan dari Ray, di samping peningkatan kognitifnya, Ray bisa semakin mandiri dan berani. Terima Kasih banyak saya sampaikan kepada Miss Reni, Miss Tia, Miss Fitri dan Laoshi Midah untuk bantuan, bimbingan, dan support untuk Ray selama setahun ini, Ray beruntung sekali bisa belajar dan bermain bersama miss semua. Semoga LKM-Hillaris bisa selalu sukses dan semakin tumbuh berkembang sebagai Lembaga Pendidikan terbaik.

## ★ Garren Exchel Prasetyo (KG) ★

Terima kasih saya ucapkan kepada seluruh guru Little Koala Montessori yang sudah membimbing, memberikan kasih sayang dan mengajarkan banyak hal dengan sabar untuk anak kami Garren Exchel Prasetyo, dalam pembelajaran di sekolah maupun pembelajaran jarak jauh.

Saya bersyukur, ternyata alasan awal memilih LKM untuk memulai Garren sekolah adalah keputusan yang baik. Karena selama Garren memulai sekolah dari PG-KG sangat banyak perubahan dan hasil yang memuaskan.

Bukan saja di bidang akademik, tetapi juga di bidang non akademik, yakni mengajarkan rasa empati & simpati terhadap orang lain, membentuk karakter pribadi yang baik, dan pendekatan pendidikan yang nyaman bagi anak-anak.

Untuk kedepannya, kami berharap LKM akan semakin berkembang dalam dunia pendidikan, menghasilkan anak-anak yang berprestasi dan pengajar-pengajar yang berkualitas. Terakhir, kembali kami ucapkan terima kasih kepada guru-guru & staff Little Koala Montessori atas ketulusan mendidik anak kami.

Graduation is a milestone event to highlight our LKM (Little Koala Montessori) beloved students' achievements. In the past few years, we have seen the graduates learn hard but fun in order to accomplish their education goals.

We are the lucky ones who have had the privilege of helping the students with their educational growth. Also we have witnessed the parents support them with everything they could do.

Every graduate here today has learned hard to make the best version of themselves. They have preserved and worked towards their goals in a determined way. Each of students has grown in a way that we should be proud of. They arrive in this graduation as a skilled and valuable group and ready to tackle the next set of challenges ahead, as one of a result from the variety of schools activities and a rounded education we have given to them.

Furthermore, let me thank all the parents for their willingness to support the school. Fundraising activities, active participation, and positive feedback are hugely advantageous and appreciated by the staff in order to develop our school for the sake of our students. The last but not least, I also want to thank the dedicated teachers at the school. They do not seek any praise, however, their skill and dedication to educate the students is enormous. The future holds many challenges and successes for all of students. Each of them will have their own unique opportunities to grow. I am confident they will rise and strive in every occasion.

Let me wish you all the best for the future.

Congratulation beloved students & parents.
