## Parents Testimonial

### Reagen Tristan Gracio & Evander Tristan Gracio (KG)

Halo Bapak, Ibu tenaga pendidik, manajemen dan orang tua siswa/i Little Koala Montessori. Saya berharap semua dalam keadaan sehat.

Perkenalkan saya Eliza, mama dari Egen dan Evan kelas KGB2. Saya bersyukur dan senang sekali menjadi salah satu orang tua yang memilih Little Koala Montessori untuk pendidikan usia dini putra kembar saya. Little Koala Montessori dengan motto "Learn, Fun and Smart" telah mampu memberikan Pendidikan akademik juga membentuk karakter Egen dan Evan dengan cara yang menarik. Kembar selalu happy dan semangat berangkat sekolah serta pulang sekolah membawa cerita betapa senangnya mereka belajar Bersama guru dan teman-temannya.

Kurikulum dinas Pendidikan dengan dipadukan pembahasan 5 area Montessori juga memberikan nilai positif untuk Pendidikan kembar. Saat ini kembar sudah lancar membaca, menulis, berhitung, mandiri dan lebih teratur serta siap menghadapi jenjang yang lebih tinggi.

Fasilitas dan kegiatan - kegiatan yang disiapkan oleh LKM juga selalu menarik untuk kembar. Sebagai orang tua, saya juga terbantu dengan guru - guru kembar di KGB, serta guru-guru kembar di PG dan KGA, mereka selalu melakukan pendekatan personal terhadap siswa/nya, penuh perhatian dan menanamkan nilai - nilai yang baik. Begitu juga dengan Management LKM yang selalu kooperatif sehingga memudahkan prosedur sekolah.

Saya percaya bahwa kedua putra saya Egen dan Evan telah mendapat Pendidikan terbaik dan siap melanjutkan Pendidikan sekolah dasarnya di Hilaris School. Maju terus Little Koala Montessori - Hilaris School Bersama anak-anak didik terbaik kalian.

Salam Sehat

### Angkasa Naro Martua (PG)

Hallo Everyone,

I'm Mrs. Angkasa Naro Martua (Naro)

In the past few years we have entrusted our children to study at LKM, we believe it is not easy to teach all children, especially during this pandemic. But all teachers in LKM has provide the best teaching methods and programs for our children. As a proof, our son has developed not only in terms of education but also in personality.

Naro's ability in counts, reads, writes and many other things has improved. He becomes more independent, can socialize with his friends and eager to learn many other things any well.

I believe sending our children to an LKM is the best decision we have made. Therefore, I have nothing more to say other than : I am very proud and grateful to all the teachers at LKM who have been very patient in educating our children, providing a valuable foundation for early childhood education, especially Ms. Reni, Ms. Tia and Ms. Fitri at LKM PG, Thank you. I don't know how to repay your kindness but I always pray that Allah SWT always bless you all the teachers, amin.

Last but not least, thank you LKM for being a great educational institution, hopefully LKM will be more successful. Thank you and Wassalamu'alaikum Wr. Wb.
